Build Your Own City The Big Unofficial LEGO Builder's Book

This book addresses all LEGO enthusiasts from 6 years up who are looking for a real challenge: why not build a complete town out of LEGO bricks? After explaining basic techniques this book provides detailed step by step building instructions for various shapes with a rising complexity. Finally every reader will be able to build their own complete LEGO City with houses, streets and cars and many other rural features. Besides providing comprehensive explanations for all technical issues it also contains a lot of practical advice and ideas.

Joakim Klang

and **Oliver Albrecht** are both LEGO experts since their childhood days. They are well-known within the LEGO community for their real artistic and experimental use of the colourful bricks. .
